

# Namola

Namola is SA's leading emergency response solution providing the reassurance that users can **#GetHelpFast** via their phone or **Namola Panic Tracker**.

With over 350 000 app downloads, national coverage and numerous awards and accolades, the media has also been quick to recognise Namola as being the market leader, especially with it being relevant to the everyday South African, SME's and corporates alike

# WHY THE NAMOLA SOLUTION IS RIGHT FOR YOU

Simplicity and Reliability backed by Personality, Versatility and Affordability

Whilst Namola uses the latest technology, it has been specifically designed to be simple to use. No geeky tricks, nothing complicated. Namola quite simply just works. Even though we are app based and use the latest digital innovations, in your time of need a highly trained and qualified HUMAN BEING will be helping you. Namola is not limited for use in one area. It goes with you and provides reassurance wherever you are in SA. Namola is as suitable for individuals requiring reassurance in their daily lives as it is to SME's or larger organisations wanting to demonstrate their care for their staff both during work hours and away from the workplace too.

## NAMOLA Panic Tracker

Battery life is 1-5 days between charges.

## HOW DOES THE DEVICE WORK?

Our Panic Tracker is fitted with both GPS and cellphone capabilities.

This means that it tracks you via GPS and communicates with Namola via the mobile phone network. The device operates like a mobile phone in that our call centre will speak to you, and you to them, via the device.

Get **help** fast!

**01.**

Push and hold button until it vibrates.

**02.**

Our Response Centre will call you back on the device to gather information. The device even answers automatically.

**03.**

Namola will send the help you need (including armed response or private ambulance)

Even more peace-of-mind:

The Panic Tracker can be made to operate silently.

If you're within our armed response coverage, we'll send help even if you can't answer.
